Directorate of Urban Land Transport (DULT) in collaboration with HDBRTS Company Ltd. is looking for self-motivated and sincere candidates to apply for its Fellowship and Associateship Program to work on the various placemaking and street designs/ interventions in Hubballi-Dharwad, Karnataka. The position is based in Hubballi-Dharwad.

Project: Providing project support and preparation of designs for; 1. Placemaking projects of Hubballi- Dharwad 2. Nurturing Neighborhoods Challenge projects for Hubballi-Dharwad		
Date of Joining/Commencement of Work: 10 th October 2022		
Number of Fellows/Associates: 2	Specialization: Urban Planners/ Urban Designers/ Architects	Fellowship Duration: 6 months, extendable based on requirement, subject to willingness of the Associate/fellow
Last date for submission of application: 1 st October 2022		
Location of posting: HDBRTS Co. Ltd Office, Hubballi		
Project Background: Hubballi-Dharwad, the twin cities, is home to the world-class BRT system and the aim is to improve the accessibility to the BRT and enhance the public spaces in its influence zone.		
<i>Placemaking projects of Hubballi Dharwad</i>	The city of Hubballi-Dharwad is home to a world-class BRT system. In order to encourage more and more people to use public transport, the experience of walking or cycling to the station has to be pleasant. The placemaking initiative hence aims to improve quality of public space along the corridor through a spot intervention approach.	
<i>Nurturing Neighborhoods Challenge</i>	The Nurturing Neighborhoods Challenge is a Smart Cities Mission, GOI initiative to promote and adopt early childhood-centric approaches in designing neighborhood-level improvements that promote the health and well-being of young children and their caregivers.	
Scope of work: With reference to initiatives, the Directorate of Urban Land Transport and HDBRTS Co. is seeking to engage fellows to provide assistance in the various projects in terms of Site visits, data collection, walking audits, surveys, community engagement, etc. In this regard, the selected fellows will assist DULT and HDBRTS Co. in the Preparation of conceptual design and detailed drawings for the projects allotted.		

<i>Placemaking projects of Hubballi Dharwad</i>	<ul style="list-style-type: none"> • Site recce and data collection • Preparation of conceptual proposals and detailed designs • Site visits and supervision during implementation
