

Job Description: Project Associate/Consultant at TERI

Job Position: Project Associate/Consultant, Transport & Urban Governance Division

Job Location: New Delhi

Nature of Engagement: Contractual (1-2 years)

Job Overview:

TERI is looking for a dynamic candidate to join the transport team for projects related to freight decarbonization. The role will involve policy research on road freight sector, including decarbonization strategies, and energy efficiency.

The candidate will be responsible for research analysis, project management tasks, outreach activities, and for providing technical inputs as per the requirements. He/She should have good communication and analytical skills, along-with an interest in the transportation research including energy efficiency, carbon credits, as well as emissions modelling.

Responsibilities:

- Collection of primary and secondary data related to freight sector
- Literature review of various national and international reports and papers relevant to assigned project requirements
- Data Analysis
- Engagement with key stakeholders for the execution of project tasks
- Preparation of concept notes and project reports
- Perform other tasks as assigned as per requirement

Educational Qualification:

- Master's degree in Transport Planning/Economics/Supply Chain Management/any other relevant field with focus on transport or energy economics
- Or
- M.Tech in Mechanical/Automobile Engineering

Experience:

- Minimum 2 years of relevant professional experience of working in transport domain with public/private sector agencies, national/international development organizations, research/policy thinktanks, or with multilateral/bilateral institutions

Desired Skills:

- Proficiency in software skills such as ArcGIS, Microsoft Office (MS Excel, Word, PowerPoint etc.), econometric tools (R, Stata)
- Proven writing skills
- Team player and ability to meet short- and long-term goals with flexible working hours
- Innovative thinking and strong communication skills

Interested candidates may kindly share their CVs to hr@teri.res.in, latest by May 15, 2024
