Urban Design/ Architecture

Seeking talented interns passionate about transforming public spaces through design. Work on street design, waterfronts, and research projects. To apply, email work@janausp.org with "Application for Internship," including a **portfolio and resume**.

Qualifications & Requirements

- **Bachelor in Architecture/Urban Design or Master in Architecture/Urban Design** students are preferred.
- This on-site internship requires interns to **work at our Bengaluru office**. Applications must include a portfolio to be considered.
